Notes

1. The above is a Course Fee Funding estimate, subjected to changes and individual's funding eligibility. Refer to the SWDA's Grant Calculator in CUGE's TMS (before payment)for most updated Course Nett Fee amount.

2. Mid-Career Enhanced Subsidy (MCES) is for Singaporeans aged 40 years old and above. MCES is calculated as 20% of full course fee before GST. For more information, pls refer to Skills and Workforce Development https://www.swda.gov.sg/home/individuals/funding-training-allowance/MCES

3. Enhanced Training Support (ETSS) is for Singaporean and SPR trainees sponsored by SMEs. ETSS is calculated as 20% of full course fee before GST. For detailed funding criteria, pls refer to SWDA website https://www.ourworkforce.gov.sg/programmes-directory/industry-insights-and-resources/enhanced-training-support-for-smes?utm_source=swda&utm_medium=referral&utm_campaign=migration&utm_content=tile

4. ETSS and MCES are enhanced subsidies given as payment on behalf of the trainees, GST is computed on the net course fees (gross fee less SWDA course fee grant) but before deduction of the enhanced subsidy.
*The maximum funding per trainee is 90% (i.e Baseline 70% + Additional 20% MCES or ETSS), meaning a trainee will be eligible for either Mid-Career Enhanced Subsidy or Enhanced Training Support for SMEs at one time, not both.
